

Return to Be Completed by Consumers Required to Remit Fuel Tax

Fuel Tax Act

This form is intended for any person (hereinafter "the consumer") who, directly or indirectly, for himself or herself, or for others, consumes or uses fuel without paying the fuel tax.

Obligation to report

Consumers who have not paid fuel tax at the time they acquired fuel must use this return to report the tax and remit it to the Minister of Revenue. Consumers who produce fuel have the same obligation regarding fuel they produce or use.

Deadline for filing the return and making the payment

Both the return and the payment must be sent to C.P. 8025, succursale Place-Desjardins, Montréal (Québec) H5B 0A8, by the **15th** day of the month following the month in which the fuel was acquired or produced.

The date on which the return is filed and the tax paid is the date on which the return and payment are received.

Payments may be made by cheque or money order payable to the **Minister of Revenue of Québec**. The cheque or money order must show the consumer's Québec enterprise number (NEQ), identification number or social insurance number, as applicable.

Penalty and interest

If the consumer fails to remit an amount by the deadline prescribed by the *Fuel Tax Act*, the consumer is liable to a penalty of up to 15% of the amount payable. In addition, interest is charged, at the prescribed rate, on any amount not paid by the prescribed deadline.
