1 GENERAL INFORMATION

1.1 Purpose of the RL-25 slip

The RL-25 slip is used to report allocated amounts or amounts paid to an employee who is a beneficiary under a profit-sharing plan (hereinafter “beneficiary”), including:

- eligible and ordinary dividends;
- capital gains (or losses);
- amounts paid by the employer to the plan’s trustee; and
- amounts withheld as Québec income tax.

The information on the RL-25 slip is used by beneficiaries to complete the personal income tax return.

1.2 Obligation to file RL-25 slips

RL-25 slips must be filed by any trustee of a profit-sharing plan. However, the beneficiary’s employer can file the slips on the trustee’s behalf.

1086R2

2 FILING RL-25 SLIPS

2.1 Format of RL-25 slips

As a rule, the required information must be submitted on a prescribed RL-25 slip.

The RL-25 slip is available on our website at revenuquebec.ca. A paper RL-25 slip is also available. In addition, you may use a computer-generated RL-25 slip created either by software authorized by Revenu Québec or by your own in-house software.

In-house software for filing RL-25 slips must meet certain requirements. For more information, consult the **Partners** section of our website at revenuquebec.ca/partenaires. Note that we do not give any financial compensation to persons who provide their own RL slips.

For more information regarding the certification of software for filing RL-25 slips online (in XML files), contact the Direction des relations avec les partenaires et des communications personnalisées by calling 418 266-1201 or, toll-free, 1 866 840-7060, or by sending an email to infoconcepteur@revenuquebec.ca.

2.2 Distribution and filing deadline

On or before the last day of February in the year following the year covered by the RL slips, you must:

- file the RL-25 slips with Revenu Québec;
- file form RLZ-1.S-V, *Summary of Source Deductions and Employer Contributions*, with Revenu Québec if Québec income tax was withheld; and
- distribute copies of the RL-25 slips to beneficiaries.

1086R65, 1086R70

2.3 Filing RL slips with Revenu Québec

If you are filing more than 50 RL-25 slips, you **must** send them to us online (in an XML file).

If you are filing fewer than 51 RL-25 slips, either send them to us online (in an XML file) or mail **copy 1** of each paper RL slip to us.

If you send us the RL slips online, do not mail us copy 1 of the paper slips. However, be sure to keep the RL slips on a technology-based medium or keep paper copies of the slips, as applicable.

If Québec income tax was withheld, you must also file form RLZ-1.S-V by mail (paper copy) or using our online services in My Account for businesses.

The documents that you file with us must be sent to one of the following addresses:

- Montréal, Laval, Laurentides, Lanaudière and Montérégie:
Revenu Québec
C.P. 6700, succursale Place-Desjardins
Montréal (Québec) H5B 1J4
- Québec City and other regions:
Revenu Québec
3800, rue de Marly
C.P. 25666, succursale Terminus
Québec (Québec) G1A 1B6

For more information regarding the filing of RL slips online, contact the Division de l'acquisition des données électroniques by calling 418 659-1020 or, toll-free, 1 866 814-8392, or by sending an email to edi@revenuquebec.ca.

We also recommend that you consult the *Tax Preparers' Guide: RL Slips* (ED-425-V), which is available on our website.

2.4 Distributing copies of RL slips to the beneficiaries

There are a number of options when it comes to distributing copies of the RL slips to the beneficiaries. If you file paper RL slips, you must give each beneficiary **copy 2** of the slip in person, or send the beneficiary copy 2 by mail or by some other means. If you send the RL slip electronically, you must obtain the beneficiary's prior written consent by mail, electronically or by some other means. Beneficiaries must clearly state that they consent to receiving the RL-25 slip electronically and that their consent shall remain valid for as long as they do not inform you of their intent to revoke it. Furthermore, you must inform the beneficiaries of the means by which they may revoke their consent.

When you file RL slips electronically, you must:

- protect the personal information of the beneficiaries;
- be able to check the identity of all persons who give their consent; and
- make sure that the information on the RL slip cannot be modified.

1086R70

2.5 Amending or cancelling an RL slip

To amend or cancel an RL slip that has already been filed online, follow the instructions in guide ED-425-V. You may file amended or cancelled RL-25 slips online.

To amend a paper RL slip that has already been submitted, file a new, corrected slip marked "Modifié." Enter the letter "A" in the box marked "Code du relevé" and the number shown in the upper right-hand corner of the slip you wish to amend in the box marked "N° du dernier relevé transmis."

To cancel a paper RL slip that has already been submitted, make a photocopy of the original slip, write "Annulé" on it and, in the box marked "Code du relevé," enter the letter "D." Make sure that the number shown in the upper right-hand corner of the original slip is legible on the photocopy before you file it.

2.6 Penalties

Under the *Tax Administration Act*, you are liable to penalties if you:

- file an RL-25 slip or, where applicable, form RLZ-1.S-V late;
- fail to use online filing when filing more than 50 RL-25 slips.

You must make a reasonable attempt to obtain the information required to complete an RL-25 slip. If you fail to provide any of the required information, you will be liable to a penalty of \$100.
