

## Interest Paid on a Student Loan

Complete this schedule if interest was paid in 2022 on a student loan granted to you.

Also complete this schedule if, for 2021, you calculated an amount for interest paid on a student loan and decided to carry the amount forward to a future year.

If interest was paid on your student loan after 1997, but in 2021 you did not calculate the amount that could be carried forward, refer to line 385 in the guide.

Unused portion of the interest paid on a student loan (line 62 of Schedule M for 2021)

Interest paid in 2022 on a student loan

Add lines 46 and 48.

Carry all or part of this amount to line 385 of your return.

Amount carried to line 385 of your 2022 return

Subtract line 60 from line 52.
