

Income and Expenses Respecting the Rental of Immovable Property

You must file this form if you earn rental income from immovable property you own or co-own. You must complete a **separate form for each immovable, but Part 3, which covers all of your immovables, should be completed only once**. If work was carried out on an immovable, complete form TP-1086.R.23.12-V, *Costs Incurred for Work on an Immovable*. You must keep the invoices or other original documents attesting to the expenditures made to earn rental income. This requirement applies to both current expenditures (maintenance costs, for example) and capital expenditures (the acquisition or improvement of a property, for example). We reserve the right to examine any such documents to validate a deduction claimed. If you fail to provide us with such documents upon request, we may disallow the deduction.

For more information, see IN-100-V, *Individuals and Rental Income*.
