

Information Return for Distribution Platform Operators

Act respecting the Québec sales tax

This return is for every person that is registered for the QST under the general system (or is required to be) at any point in a calendar year and operates a distribution platform used to make qualifying or designated qualifying supplies of corporeal movable property. It is used to report information about the supplies made using the platform during the year.

This form covers supplies of corporeal movable property delivered in Québec, excluding:

- corporeal movable property delivered by mail or courier from a location outside Canada;
- exempt and zero-rated supplies of property;
- property supplied during a flight or trip outside Québec.

Filing deadline

This form must be filed no later than six months following the end of the calendar year during which the supplies were made using the platform.

Filing the return

The return must be filed:

- using the secure file transfer service on the Infrastructures technologiques Québec website at rq.psd.gouv.qc.ca; or
- by secure email¹ (write to Support-SINR@revenuquebec.ca for instructions on how to register for our secure messaging service).
